4. Liquidators' Remuneration

The basis of the Liquidator's remuneration was fixed at the outset of the Liquidation at a level not to exceed £5,000 plus VAT without prior agreement from the Shareholders. This fee has been discharged, in full, from the Company's assets.

Within 21 days of receipt of this report, any member with the concurrence of at least 5% of the total voting rights of all members entitled to vote at general meetings of the Company, or any secured creditor, or an unsecured creditor with the concurrence of at least 5% in value of the unsecured creditors (including the creditor in question), or with the permission of the court upon an application made within that period of 21 days, any unsecured creditor, may make a request in writing to the Liquidator for further information about remuneration or expenses detailed in this Report.

The Liquidator should, within 14 days of receipt of the request, provide all of the information asked for. However if the Liquidator considers that the time or cost of preparation of the information would be excessive; or disclosure of the information would be prejudicial to the conduct of the liquidation or might reasonably be expected to lead to violence against any person; or the liquidator is subject to an obligation of confidentiality in respect of the information; he may withhold the information and give reasons for not providing the same.

If the Liquidator fails to provide the information within the 14 days of the initial request, or gives reasons for withholding the information, then a creditor may apply to the court within the ensuing 21 days and the Court may make such Order as it see fit.

The Liquidator would additionally draw your attention to the provisions of rule 18.34 of The Insolvency (England and Wales) Rules 2016.

Any secured creditor, or any unsecured creditor with either the concurrence of 10% in value of the unsecured creditors (including the creditor in question), or members of the Company with at least 10% of the total voting rights of all the members having the right to vote at general meetings of the Company, or any unsecured or member with the permission of the Court, may apply to the Court for one of the following Orders:

- a) An Order reducing the amount of remuneration that the Liquidator is entitled to charge.
- b) An Order fixing the basis of remuneration at a reduced rate or amount.

- c) An Order changing the basis of remuneration.
- d) An Order that some or all of the remuneration or expenses in question be treated as not being expenses of the Liquidation.
- e) An Order that the Liquidator or the Liquidator's personal representative pay to the Company the amount of the excess of remuneration or expenses or such part of the excess as the Court may specify.

Alternatively the Court may make any other Order that it thinks just but Orders under 'b' or 'c' above may be made only in respect of periods after the period of this report.

The costs of the application should be paid by the applicant unless the Court orders otherwise.

Any application must be made within eight weeks of receipt of the first report in which the remuneration and/or expenses in question are detailed, although the Court may extend the period by such further period as the court thinks just.

Should you require a paper copy, please send your request in writing to the Liquidator at the address on the front of this report and this will be provided to you at no cost.

5. Creditor claims and distributions

The Declaration of Solvency filed in this matter disclosed claims against the Company to consist of trade and expense creditors totalling £3,400 and an estimated Corporation Tax liability of £26,738.

A Notice to Submit Claims was advertised in the London Gazette affording an opportunity to any potential creditors to provide details of any claims they may have. The final date for notification of any potential claims was 12 April 2021. No claims were received in response to this notice.

The trade and expense total per the Declaration of Solvency included a provision for any additional accountancy work that may have been required to be undertaken. No additional work was carried out and Gerald Edelman's final claim in this matter was for £750 plus VAT, which has been paid in full.

Corporation Tax returns to the date of Liquidation were prepared and submitted to HM Revenue & Customs showing a liability of £26,474.79 which was slightly lower than originally estimated. Payment settling that debt was made to HM Revenue & Customs previously however the Liquidator subsequently became aware of an outstanding penalty payment due to HM Revenue & Customs of £100. This debt has now also been discharged in full.

HM Revenue & Customs have now confirmed that their claim has been settled in full, however there is outstanding statutory interest payable on their claim in the sum of £233.21. It is understood that HM Revenue & Customs are in the process of deducting this sum from the VAT repayments due to the Company and will shortly be remitting the remaining balance.

6. Shareholder Distributions

During the course of the winding up to date, two distributions have been declared to the Shareholder. The first distribution was for the sum of £49,340 equating to return of £4,934 per share and was declared on 15 February 2021. The second distribution was declared on 20 September 2021 for the sum of £65,000 equating to a return of £6,500 per share.

Once the outstanding VAT repayments have been received from HM Revenue & Customs and the statutory interest paid, it is anticipated that there will be approximately the sum of £5,752 available to be distributed to the Shareholder as a final distribution.

7. EC Regulations (Whether Proceedings are Main Proceedings or Territorial)

The Company's centre of main interest was in Flat 3, 8 Hillmarton Road, London, N7 9JW and 73 Cornhill, London, EC3V 3QQ and therefore it is considered that the EC Regulations will apply. These proceedings are main as defined in Article 3 of the EC Regulation.

8. Ongoing Issues

Upon receipt of the net VAT repayment from HM Revenue & Customs, the Liquidator will look to declare a final distribution to the Shareholder and commence steps to finalise his administration of this winding-up. This is anticipated to occur within the next 6-8 weeks.

Should you have any query regarding the contents of this Report please do not hesitate to contact this office.
