(a) Introduction

The Company was placed into Creditors Voluntary Liquidation by way of the passing of a Special Resolution by the Shareholders on 26 November 2018. This report provides an update on the progress of the Liquidation, pursuant to Section 104A of the Insolvency Act 1986, for the year ended 25 November 2020.

Rule 18.3: Progress Report

(d) Any changes in the Office Holder

Since my appointment as Liquidator of the Company on 26 November 2018, there have been no changes in the Office Holder.

(e) Details of progress during the period and summary account of Receipts and Payments under review and cumulatively:

Creditors will recall from my last Report that this case has been kept open whilst the liquidation of the management company, Moreland Solutions Limited ("MSL"), continued.

As previously outlined, it is my belief that the Company may be a creditor of MSL, given that its banking facilities were thought to have been conducted by MSL. Creditors will also recall that I was the duly appointed Liquidator of MSL. However, I have recently resigned as Liquidator of that company, the replacement Liquidators having been appointed on 12 November 2020. It is my intention to formulate and lodge a claim in the estate of MSL shortly.

As mentioned in my first Annual Progress Report for the year ended 25 November 2019, whilst the Liquidation of MSL remains live, I have made the decision to keep this case open in the belief that, should funds be realised into the estate of MSL, then the Company may be entitled to a distribution therefrom, as one of its creditors.

A Receipts and Payments Account is attached at Appendix A, which is further explained below.

1. Receipts

There have been no realisations during the year under review.

2. Payments

There have been no payments made during the year under review.

(f) Liquidator's Remuneration and Expenses

1. Basis of Remuneration

As there are no funds in the Liquidation estate and the likelihood of any realisations is uncertain, I have not sought to agree the basis of my remuneration and no fees or expenses have been drawn.

The control of the co

In accordance with the provisions of Statement of Insolvency Practice 9 ("SIP 9"), a schedule of my firm's charge-out rates is disclosed below. These rates were set on 1 November 2018. Our current hourly chargeout rates exclusive of VAT, which are charged in units of 6 minutes, are as follows:-

	Current
	£
Senior / Managing Partners	550
Partners/Office holders	495
Managers / Senior Managers	350 - 395
Senior Administrators	220 - 295
Administrators	160 - 200
Cashiers and Assistants	150 - 295
Supports	120 - 150

Chargeout rates are normally reviewed annually and are adjusted to reflect such matters as inflation, increases in direct wage costs, and changes to indirect costs such as Professional Indemnity Insurance.

(f) Liquidator's Remuneration and Expenses (continued)

2. Staff allocation and the use of Subcontractors

My general approach to resourcing my assignments is to allocate staff with the skills and experience to meet the specific requirements of the case. The constitution of the case team will usually consist of a Partner, Manager, Senior Administrator and two Administrators. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment, and additional staff may be allocated to meet the demands of the case.

I have not utilised the services of any subcontractors in this case.

3. Liquidator's Remuneration

I have not drawn any remuneration in view of the fact the realisations have been insignificant. As outline at section (e) above, if and when it appears that my enquiries would prove successful, I will approach creditors to establish the basis of my remuneration.

5. Creditors' Rights - Rule 18.9 and Rule 18.34

- i) Within 21 days of the receipt of this report, a Secured Creditor, or an Unsecured Creditor (with the concurrence of at least 5% in value of the Unsecured Creditors), may request, in writing, that the Liquidator provides further information about his Remuneration or expenses, which have been itemised in this progress report.

Annual Progress Report pursuant to Section 104A of the Insolvency Act 1986

(g) Creditors and Distributions

(i) (a) Secured Creditors

The Company has no Secured Creditors.

(b) Prescribed Part

Section 176A of the Insolvency Act 1986 provides for a prescribed part of the Company's net property to be retained from distribution to the floating charge holder, where the debenture was created on or after 15 September 2003 and made available for the satisfaction of unsecured debts.

(iii) Unsecured Creditors

The claim of 3 Unsecured Creditor in the amount of £2936.6280764106668 has been received compared to four creditors totalling £2937 disclosed on the Director's Estimated Statement of Affairs. Based on current information, it is unlikely that there will be a dividend payable to the Unsecured Creditors.

(h) Details of what remains to be done

As outlined in (e) above, the only matter preventing finalisation of this Liquidaion is the resolution of the position with MSL. Given the recent appointment of alternative Liquidators, I have no indication as to when the liquidation of MSL will be concluded.

(i) Other information of relevance to creditors:

Investigations

- 1. Unfortunately, as a result of the lack of Company records, I have been unable to conduct my usual initial assessment as to whether there could be any matters that might lead to recoveries for the estate and what further investigations may be appropriate.
- 2. In accordance with the Company Directors Disqualification Act 1986, I have submitted a report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy (BEIS). As this is a confidential report, I am not able to disclose the contents.

(j) Next report

I am required to provide a further report on the progress of the liquidation within two months of the end of the next anniversary of the liquidation, unless I have concluded matters prior to that, in which case I will write to all creditors with my Final Account, which will conclude my administration of the Liquidation.
