- England and Wales to Wales
 Wales to England and Wales

Important guidance

If you have indicated that the company is changing from an England and Wales to a Wales company, its name can end with the English name ending (e.g. Ltd for a limited company) or the Welsh name ending (e.g. Cyf for a limited company).

If you have indicated that the company is changing from a Wales to an England and Wales company, its name can only end with the English name ending (e.g. Ltd for a limited company). If your name currently includes the Welsh name ending, you must file a notice of change of name **before** this form can be registered.

Please note it is a breach of company law for an England and Wales company to have a Welsh name ending.

If the company wishes to change its name ending, you must file a notice of change of name before this form can be registered.³

Location of Registered Office

If you are a Wales company, your registered office address must be in Wales. You may need to file an AD01 'Change of registered office address' **at the same time** as this form if the new situation of the registered office will be inconsistent with the physical location of the registered office address.

¹ The physical location of your registered office address must be consistent with the situation of your registered office indicated in Section 2.
