The headings to each clause shall not affect the construction of these **conditions**. Reference to a clause is to a clause in these **conditions**.

These **conditions** are incorporated into and form part of the **offer**. If the **offer** and these **conditions** conflict the terms of the **offer** will apply save where stated to the contrary.

1. Liabilities secured by the mortgage

1.1 **You** agree that the security created by the **mortgage deed** is **our** security not only for the **debt** but also for any other money that **you** now owe **us** or may owe **us** in the future on any account, whether actually or contingently, whether as principal or surety and whether solely or jointly with any other person.

However, the **mortgage** will not secure any money owed under an agreement regulated by the Consumer Credit Act 1974 unless stated to that effect in the agreement.

2. Types of Mortgage

2.1 The following terms apply if **you** have a **capital repayment mortgage**:

- (a) The **monthly payments** will be calculated by **us** to provide for the **payment balance** to be repaid with interest by equal monthly instalments over and by the end of the **repayment period**.
- (b) **We** work out the **payment balance** by taking the amount of the **debt** and making the following adjustments to it:
 - (i) **We** will deduct any **arrears** which **you** owe. This means that the **monthly payments you** must make under a **capital repayment mortgage** will not provide either for the

repayment of any **arrears you** owe or for the payment of interest on them. **You** will need to make a separate payment to clear the **arrears** and the interest that has been charged on them.

- (ii) Subject to sub-paragraph (iii) below, **we** will add any **small overpayments we** have received for the credit of **your mortgage**. This means that, while the **small overpayments** will reduce the **debt**, when **we** apply them this may result in **your monthly payments** being increased under **condition 3.5**, in which case (provided the **monthly payments** are paid on time) the **debt** will be repaid before the end of the **repayment period**.
- (iii) **We** will keep a running total of any **small overpayments**. If the running total comes to equal or exceed £500, the **small overpayments** which count towards the total will instead be treated from then on as a single **large overpayment**. This means that **we** will cease to add them to the **debt** when working out the **payment balance**, which may enable **us** to reduce **your monthly payments** under **condition 3.5**.

2.2 The following terms apply if **you** have an **interest only mortgage**:

- (a) The **monthly payments** will consist only of interest on the **capital balance** (including any **arrears**).
- (b) For the purpose of working out the **monthly payment**, **we** will treat each **month** as an equal twelfth part of the **year**.
- (c) **You** will be liable to repay the **debt** in a single lump sum at the end of the **repayment period** if it has not become due and payable sooner under these **conditions**.
- (d) It is **your** responsibility to ensure that the value of any assets which **you** are relying on to provide the funds needed to repay the **debt** in full at the end of the **repayment period** will be sufficient for that purpose. If **your** repayment strategy fails to provide enough to repay the whole of the **debt** at the end of the **repayment period**, **you** will still be responsible for paying what **you** owe.

2.3 The following terms apply if **your mortgage** is in separate parts (for example if it is partly a **capital repayment**

mortgage and partly an **interest only mortgage** or if different **interest rates** or **repayment periods** apply to different parts of the **mortgage**):

- (a) **We** will maintain a header account for the **mortgage** as a whole and separate sub-accounts for each part of the **mortgage**.
- (b) So far as necessary, these **conditions** will apply separately to each sub-account. For this purpose:
 - (i) references to the **advance** and any **arrears** are to be understood as referring to the **advance** and any **arrears** debited to the particular sub-account;
 - (ii) references to the **capital balance**, **interest rate**, **monthly payment**, **payment date**, **repayment date** and (where the sub-account relates to a **capital repayment mortgage**) the **payment balance** are to be understood as referring to the **capital balance**, **interest rate**, **monthly payment**, **payment date**, **repayment date** and **payment balance** for the particular sub-account; and
 - (iii) references to the **debt** in **conditions 2** and **3** are to be understood as referring to the part of the **debt** owing on the particular sub-account.
- (c) Payments made to the credit of the **mortgage** are to be dealt with as provided in **condition 3.3**.

2.4 If **you** have an **interest only mortgage** and (i) any of the events in **condition 11.1** occur, or (ii) **you** are unable to repay the **debt** at the end of the **repayment period** or (iii) if **you** have not demonstrated that **you** made adequate arrangements (satisfactory to **us** as a prudent lender) to build up a sum of money with which to repay the **debt** at the end of the **repayment period**, **we** may, but are not obliged to, change this to a **capital repayment mortgage**.

3. Monthly payments

- 3.1 Subject to the rest of these **conditions** **you** agree to pay **us**:
 - (a) the **monthly payment** each **month**;
 - (b) any extra amounts of money which **you** may owe **us** as set out in the **mortgage**; and
 - (c) the whole of the **debt** in full by the end of the **repayment period**.
- 3.2 **You** must make **monthly payments** on the **payment date** each **month** during the **repayment period** until **you** have repaid the **debt**.

3.3 Payments made to the credit of **your mortgage** will be dealt with as follows:

- (a) Except where the **mortgage** is in separate parts, each payment will be applied first towards clearing any **arrears** which are owing and then towards the repayment of sums which do not form part of the **arrears**.
- (b) If the **mortgage** is in separate parts but **you** have chosen to make a single payment each **month** which combines the **monthly payments** for each part, any payment made to the credit of **your mortgage** will be applied as follows:
 - (i) If there are any **arrears** owing, the payment will be applied first towards clearing the **arrears**. Where the **arrears** are owing on more than one sub-account, **we** will divide the payment between those sub-accounts in direct proportion to the amount of the **arrears** owing on each of them.
 - (ii) After any **arrears** have been cleared, the payment will be credited to the individual sub-accounts in direct proportion to the **monthly payments** which apply to each of them.
- (c) If the **mortgage** is in separate parts and **you** have chosen to make separate **monthly payments** for each sub-account, any payment made to the credit of **your mortgage** will be dealt with as follows:
 - (i) If the payment is made electronically, it will be credited to the sub-account identified by **you** (or any other person making the payment) in the instructions for the payment to be made.
 - (ii) A payment which is made by other means will be applied in accordance with the instructions given by **you** (or any other person making the payment). If no instructions are given, **we** will apply the payment in accordance with **our** standard policies in force at the time.

3.4 If **you** cannot, or if **we** have agreed that **you** do not have to, make a **monthly payment**, **we** will still charge interest at the **interest rate** on the **capital balance** unless **we** expressly agree in writing not to.

- 3.5 **We** may set and vary **monthly payments** from time to time to reflect changes in:
 - (a) the **interest rate**;
 - (b) the **debt** or, in the case of a **capital repayment mortgage**, the **payment balance**;

- (c) the **payment method**;
- (d) the **repayment period**;
- (e) the **payment date**.

You will be notified of any change in **monthly payments** by notice under **condition 21.1**.

4. Interest

- 4.1 We will charge interest each day on the **capital balance** at the end of the day.
- 4.2 We work out the **capital balance** as follows:
- (a) An **advance** (or any instalment of it) will be treated as increasing the **capital balance** on the **advance date**.
 - (b) Any interest which remains unpaid at the end of the **month** in which it accrues will be added to the **capital balance** on the first day of the following **month**.
 - (c) Any fees added to or paid out of an **advance**, or any **expenses** will be added to the **capital balance** as follows:
 - (i) A fee which is added to or paid out of an **advance** will increase the **capital balance** as mentioned in **condition 4.2(a)**.
 - (ii) A fee for a **product switch** will be added to the **capital balance** on the day on which the **product switch** takes effect (unless it has been paid in advance of that day).
 - (iii) Any other **expenses** we incur in any **month** will be added to the **capital balance** on the first day of the following **month** (unless they have been paid before that day).
 - (d) Any payment which is made to the credit of **your** account in any **month** (including a **monthly payment**, **large overpayment** or **small overpayment**) will reduce the **capital balance** on the first day of the following **month**.
- 4.3 We charge interest at the **interest rate**. Interest accrues each day and is payable by the **monthly payments**, except that the interest we charge on a new **advance** (or instalment of an **advance**) between the day the money is treated as increasing the **capital balance** under **condition 4.2(a)** and the next month-end must be paid with the **monthly payment** due in the following **month**.
- 4.4 Interest will continue to be charged at the **interest rate** even if a court makes an order for possession or after we obtain judgment, or if you give us possession of the **property** or if the **property** is taken into possession, until

the **property** is sold and the **debt** paid in full.

- 4.5 If the **offer** states that the **interest rate** will track another rate (such as the London Interbank Offered Rate (LIBOR) or the Bank of England Base Rate), the **interest rate** will vary in accordance with the **offer**.
- 4.6 Where the **offer** states that the **interest rate** is a rate which we are free to vary, we may reduce the **interest rate** at any time and for any reason. We may also increase the **interest rate** at any time for one or more of the following reasons:
- (a) to reflect changes in the cost to us of raising the money we lend to our mortgage customers. The causes of these cost changes can include
 - changes to external benchmark interest rates such as LIBOR or the Bank of England Base Rate;
 - changes in the cost to us of borrowing money from other financial institutions (including ones in the **Nationwide Group**), or otherwise raising money from financial markets and investors;
 - (b) to reflect any changes or reasonably anticipated changes in the law or in any code of practice which applies to us, or to respond to the decisions of any court or ombudsman;
 - (c) to reflect any changes in regulatory requirements or guidance which apply to us, including any changes in the amount or composition of the capital which we need to maintain to support our mortgage lending business;
 - (d) to reflect changes beyond our reasonable control in the costs we incur in running our business, including administrative costs and the costs involved in providing services or facilities for our mortgage customers.
- Any increase we make under this **condition** will be a proportionate response to the reason or reasons relied on for making it.
- 4.7 If we change the **interest rate** under **condition 4.6**, we will give you notice of the change in accordance with **condition 21.1**. Our notice will be given before the change takes effect.

5. Additional security

- 5.1 As a continuing security for payment to us of the **secured liabilities**, you charge to us with full title guarantee by way of **mortgage** the benefit of any interest you have to and in the **occupation leases** and the **rents** together with the benefit of any guarantees, suretyships, indemnities, rent deposits or other security (whether proprietary or by way of personal covenant and whether from a tenant or a third party) from time to time or in respect of any of the **occupation leases** providing that nothing in this **condition** shall constitute us as mortgagee in possession.

6. Discharge of security

- 6.1 Upon payment by you to us of the **secured liabilities** in full, we will at your request and cost duly discharge the **mortgage** and release the **property** charged by it. We will not release any other **property** we are holding as security until you have paid us the **secured liabilities** in full. Section 93 of the **LPA** will not apply to the **mortgage**.

7. Your covenants

- 7.1 You will at all times during the continuance of the security created by the **mortgage**:
- (a) put and keep the **property** in good and substantial repair and condition and free from defects;
 - (b) not without first obtaining our written consent (which we will not unreasonably withhold or delay) make or permit or suffer to be made any alteration or addition to the **property** (whether by way of alteration or addition to any building or structure now or hereafter upon the **property** or by the erection of any new building or structure or otherwise) nor make or permit to suffer or be made any application for planning permission or change in the use of the **property** or any part of it;
 - (c) not without first obtaining our written consent (which we will not unreasonably withhold or delay) apply for an improvement grant or grants in respect of the **property**;
 - (d) observe and perform and comply with regulations and all laws, orders, directions and all other statutory notices and requirements of any nature relating to or affecting the **property** or its use any other part or any business carried on at it;
 - (e) upon receipt of any such notice, order, regulation, direction or requirement of the kind referred to in **condition 7.1(d)** which (or a copy of which) is served upon you or otherwise comes to your notice, deliver a copy to us and at your expense take such steps we reasonably require in objecting to or appealing against or otherwise challenging any order or proposal affecting the **property**;
 - (f) not occupy the **property** yourself nor grant any leases or licences or accept a surrender or agree to accept a surrender of any leases or licences of the **property** nor agree any variations to or any rent reviews pursuant to any such leases or licences except that you can grant an assured shorthold tenancy or tenancies or other tenancy in accordance with **condition 3**;
 - (g) not allow the **property** to remain unoccupied for a period of 30 days or more without our previous written consent unless you are making reasonable efforts to let the **property** in accordance with **condition 3**;
 - (h) comply with your obligations as landlord, and not grant any licence or consent to a tenant without our previous consent in writing on the understanding that if under the terms of the lease express, or implied the licence or your consent is not to be unreasonably withheld, such consent on our part shall not be unreasonably withheld;
 - (i) where the **property** is leasehold, pay the rent reserved by the lease, duly and punctually and in the same manner observe and perform all the covenants and conditions on the part of the tenant and not without our prior written consent (not to be unreasonably withheld or delayed) agree to any amendments of the lease under which the **property** is held;
 - (j) not without our previous written consent convey assign, transfer, mortgage or otherwise dispose of the **property** nor agree to do any of the foregoing acts and if the **property** is in England or Wales, you will apply to HM Chief Land Registrar in the **mortgage deed** for entry of the following restriction in the Proprietorship Register of the **property**: "No Disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [] in favour of The

Mortgage Works (UK) plc referred to in the Charges Register”;

8. Covenants in respect of your business

- 8.1 You will at all times:
- conduct and carry on **your** business in a proper and efficient manner and keep or cause to be kept proper books of account relating to such business and when required produce the same to **us** and where **you** are a company or an **LLP** keep the said books of account and all other documents relating to **your** company or **LLP** affairs at **your** place of business and punctually pay, as the same become due, all debts and liabilities which by law would have priority to all or any part of the security created by the **mortgage**;

26. Further security

- 26.1 You shall at all times during the subsistence of the security constituted by the mortgage:
- give notice of your desire to have an extended lease or replacement lease of the property;
 - send a copy of such notice to us; and
 - within one month of execution of any extended or replacement lease of the property you (irrespective of whether any of the above conditions have been complied with) will deposit that lease with us. In addition, if we require, you will at your expense execute a fresh charge by way of legal mortgage to us of all your estate in the property under and by virtue of that lease.
- 26.2 If you acquire any superior interest in the property or acquire an interest in any freehold or leasehold property adjoining or near to the property you will promptly inform us in writing and if we require you will at your own expense execute a fresh legal charge by way of legal mortgage in our favour of that superior interest or freehold or leasehold property. Every fresh legal charge shall contain similar provisions to those contained in the mortgage.

27. Governing law and language

- 27.1 Your mortgage is supplied in English and all communications between you and us will be in English.
- 27.2 Your mortgage is governed by the law of the country in which the property is situated and the laws of that country are to be taken as the basis for the establishment of our relations with you before the mortgage is entered into.

28. Disclosure and transfer

- 28.1 We may at any time assign and/or transfer to any person all or any part of our rights under or in respect of:
- the mortgage and/or the secured liabilities; and
 - any other security (including without prejudice to the generality of the foregoing or any guarantee) in our favour.

28.2 The debt at the date of the assignment or transfer shall be all moneys then owing and shall bear interest from the date of the assignment or transfer at a rate per annum equal to the rate payable under the mortgage immediately before such arrangement or transfer until the interest rate is changed.

- 28.3 Any assignee and/or transferee shall in all respects be substituted for us and shall be entitled to exercise all of our rights and powers in any security to assigned or transferred including, without limitation, the power to vary the interest rate or apply costs and expenses with reference to its own circumstances (including without limitation its own costs).
- 28.4 You and if appropriate any guarantor hereby authorise us to disclose to any person (and their advisers) to whom we dispose or contemplate disposing of any part of our interest in the mortgage or in the secured liabilities or any security including the guarantee or other obligations secured by the mortgage such information concerning you or the mortgage or the secured liabilities or the guarantor and such other obligations as we reasonably think fit.

29. Unfinished work

- 29.1 If after you have received part of the advance you leave any building which forms part of the property unfinished, we may:
- sell the property as it is; or
 - complete the building at your cost;
 - we can demand that you pay all expenses arising from this and we will add any you do not pay to the debt which will then be secured on the property. Interest will be charged on them in accordance with condition 4.2(c).

30. Mistakes and miscalculations

- 30.1 Any statement or information concerning the secured liabilities that we supply to you before or after the discharge of the mortgage will not prejudice our security if it contains errors or omissions.
- 30.2 Any discharge we execute in respect of the mortgage will not discharge you from liability if we subsequently find that on repayment we under-calculated or understated by mistake the amount of the secured liabilities.
- 30.3 Unless you were party to or knew or should have known of the mistake, we will not rely on condition 30.2 unless

we tell you in writing within 90 days of the date we execute the discharge.

- 30.4 We will not seek to recover money from you where you are legally entitled to keep it.

31. Terms of Lettings

- 31.1 You must obtain our approval to any tenancy, letting or sharing of possession to the property. Without limiting this duty on you, note that we require any such tenancy, letting or sharing of possession to be on the following terms:
- In England and Wales, any tenancy of the property created before 1 March 1997 must be a single Assured Shorthold Tenancy as defined in the Housing Act 1988 and be for a term of not less than six months. Your solicitors must satisfy themselves that valid notices were served under Section 20 of the Housing Act 1988 before the tenancy was created, and have sight of a copy of the tenancy agreement.
 - In England and Wales, any tenancy created after 28 February 1997 must in all respects comply with the Housing Act 1996 as an Assured Shorthold Tenancy.
 - If the property is in Scotland then:
 - any tenancy of the property created on or before 30 November 2017 must be a Short Assured Tenancy as defined in the Housing (Scotland) Act 1988;
 - any tenancy of the property created on or after 1 December 2017 must be a Private Residential Tenancy under the PHTSA.
 Any tenancy must in all respects comply with the Housing (Scotland) Act 1988 or PHTSA, as applicable.
 - You must produce evidence to your solicitor, before buying the property, that all provisions of Part 1 of the Landlord and Tenant Act 1987 and the Housing Act 1996 (and, if the property is in Scotland, the Housing (Scotland) Act 1988 or PHTSA, as applicable) have been complied with by the seller or you as appropriate.
 - The letting must only allow the property to be used as a private dwelling for occupation of the tenant and the tenant's immediate family for residential purposes.
 - In England and Wales, the letting must not confer any security of tenure on the tenant(s) beyond the end of the contractual term of the tenancy agreement.
 - The letting must not be for more than 36 months (except where the property is in Scotland and is subject to the PHTSA).
 - Any tenancy agreement must (i) be in the form normally used for residential agreements; and (ii) contain no terms which can adversely affect our interest in the property under the mortgage.
 - The tenancy agreement must provide that no subletting is allowed.
 - The tenancy agreement must not contain an option allowing the tenant to renew the lease upon expiry (except where the property is in Scotland and is subject to the PHTSA).
 - Any deposit must be held by a body approved by the Government pursuant to the requirements of the Housing Act 2004 (or, where the property is located in Scotland, the Tenancy Deposit Schemes (Scotland) Regulations 2011) and that all required information has been supplied to the tenants.
 - References about ability to pay the rent and character must be obtained for the proposed tenant(s) and must be made available to us when we ask for them.
 - If the property is leasehold you must obtain the consent of the landlord to any letting if required by the terms of the lease of the property and comply with any other relevant lease conditions.
 - The tenancy must allow you and us to get vacant possession at the end of the term of the tenancy.
 - If there is more than one tenant, you must get all tenants to sign one tenancy agreement so that each of the tenants is responsible for all of the rent and carrying out all of the obligations.
 - You must tell the insurers about the tenancy if your insurance requires this.
 - You must make sure that you keep to any regulations and obtain any necessary licences, which may apply to letting properties.
 - You must not change the terms of the tenancy without us agreeing in writing.
 - You must comply with all legal requirements, and hold any licences or other authorisations necessary,

relating to the letting of the **property** (including without limitation, where the **property** is a **property** which is a house in multiple occupation within the Housing Act 2004 (or falls to be treated as a house in multiple occupation under any other applicable legislation or legal requirements), any licensing requirements for landlords of houses in multiple occupation under such legislation). **You** must provide **us** with evidence of this on request.

If the **property** has a tenant when **you** buy it, the existing tenancy must also keep to these guidelines.

31.2 Without limiting **your** duty to obtain **our** consent under **condition** 31.1, note that the following are unacceptable as tenants for the **property**:

- (a) multiple tenancies (excluding houses in multiple occupation);
- (b) people who could claim diplomatic immunity;
- (c) holiday lets;
- (d) **your** family members (including for example **your** spouse, civil partner, parents, grandparents, siblings, children, grandchildren, children of **your** siblings or grandparents).

31.3 **You** must do whatever is legally necessary to ensure that **your** tenants carry out their obligations under the tenancy agreement and not waive or release or vary these without **us** agreeing in writing.

31.4 **You** must let **us** know if the **property** is unoccupied for 30 or more consecutive days.

31.5 If the **property** is subject to the selective licensing scheme laid down by Part 3 of the Housing Act 2004, **you** must have and maintain a satisfactory licence under the selective licensing scheme in relation to the **property**.

31.6 The criteria for tenancies or tenants **we** set down in this **condition** 31 can be varied by **us** at any time to reflect:

- (a) changes or reasonably anticipated changes in law, regulation and guidance;
- (b) changes **we** introduce to **our** standard policies acting as a reasonable and prudent lender.

Where **we** make any such change **we** will give **you** at least 30 days' prior notice unless any shorter period is necessary to reflect any change in the law. Any change will not affect the compliance with **our** criteria of any tenancy which is already in place (and which complies with **our** existing criteria) for the remaining fixed or minimum term of the tenancy, unless it is required to reflect any change in the law which affects that tenancy.

32. Valuations, revaluations and LTV

32.1 Any **valuation** proposed in connection with the **mortgage** is:

- (a) for **our** benefit and may not be relied upon by **you**;
- (b) does not confirm or guarantee the **property** is worth the value given to it.

32.2 **We** reserve the right to obtain further **valuations** of the **property** at any time after the **advance date** for the purpose of calculating the **LTV**. Each further **valuation** will be at **your** expense (such cost to be charged in accordance with **our** then current fees for **valuations** unless **you** have paid for a **valuation** in the preceding three years, in which case it will be at **our** expense). **You** will ensure that any access to the **property** reasonably required by the valuer is given.

32.3 If at any time the **LTV** is greater than the **original LTV**, **we** can require **you** (i) to reduce the **debt** such as to ensure that the **LTV** is equal to or less than the **original LTV** or (ii) to provide **us** with alternative or additional security acceptable to **us** (at **our** discretion) which would, when aggregated with the value of the **property**, ensure the **LTV** is equal to or less than the **original LTV**, or any combination of (i) and (ii). When **we** make such a request **you** will comply with it and make such payment and/or deliver such acceptable alternative security as applicable within 30 days of request.

33. Standard conditions

33.1 These **conditions** incorporate the **standard conditions**. In the event of any conflict between the terms of the **standard conditions** and these **conditions**, these **conditions** shall apply.
