Group Strategic Report for the Year Ended 31 March 2021

The directors present their strategic report of the company and the group for the year ended 31 March 2021.

REVIEW OF BUSINESS

During this year the coronavirus pandemic had a huge impact on the business of the company. Many of our major customers and suppliers shut down as countries around the world went into lockdown, as a result sales in the second quarter of 2020 were just 52% compared to 2019 figures. In April most employees were placed on furlough and capital expenditure reduced to essential levels. By July the company were forced to take painful action. Following consultations, staff representatives were elected, and a redundancy process agreed and in August 16 members of staff were made redundant.

By autumn the situation had dramatically improved, with boatbuilders seeing record demand as the marine market recovered. October and November saw order intakes in excess of £1 million. The principal challenge then became keeping customers satisfied.

The recovery continued throughout the new year to the extent that turnover, although lower than forecast, was similar to the previous year.

In January 2021, Custom Marine Developments (CMD) separated from Makefast to form an independent company and in April 2021 all CMD staff formally transferred over.

Makefast was awarded a grant from the Welsh government Economic resilience fund and arranged CIBLS funding. These alongside tight financial controls has improved the cashflow position and returned an operating profit for the year.

PRINCIPAL RISKS AND UNCERTAINTIES

Global supply issues continue to cause problems. Risks which can be mitigated by increasing stock levels of key materials and components.

Opportunities lie in strong demand and the company continues development in new products and to invest in production processes.

The company's principal financial assets are stock, bank balances and cash, trade and other receivables, and investments. The company's credit risk is primarily attributable to its trade receivables. The amount presented in the accounts are net of allowances for doubtful receivables. In respect of bank balances, the liquidity risk is managed by maintaining a balance between continuity of funding and flexibility using bank overdraft and loan facilities.

ON BEHALF OF THE BOARD:

Charles

C Brown - Director

21 March 2022

Report of the Directors for the Year Ended 31 March 2021

The directors present their report with the financial statements of the company and the group for the year ended 31 March 2021.

PRINCIPAL ACTIVITY

The principal activity of the group in the year under review was that of the manufacture and sale of safety and marine hardware and marine shade systems.

DIVIDENDS

No dividends will be distributed for the year ended 31 March 2021.

FUTURE DEVELOPMENTS

Future products under development include a louvered roof system, bathing platforms, sliding furniture mechanisms, marine roller blinds, and deck fittings. Makefast will aim to introduce a minimum of two new products every year whilst expanding our customer base. The company is also actively seeking ways to reduce our carbon footprint and improve our production processes.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 April 2020 to the date of this report.

T W Brown Mrs B Brown D Cozens M Brown M T Holdway C Brown

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Group Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

Report of the Directors for the Year Ended 31 March 2021

AUDITORS

The auditors, Morgan Griffiths LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

CAO RA-

C Brown - Director

21 March 2022

Report of the Independent Auditors to the Members of Makefast Limited

Opinion

We have audited the financial statements of Makefast Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 March 2021 which comprise the Consolidated Income Statement, Consolidated Other Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement and Notes to the Consolidated Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 31 March 2021 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information in the Group Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report of the Independent Auditors to the Members of Makefast Limited

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Report of the Independent Auditors to the Members of Makefast Limited

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- -the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- -we identified the laws and regulations applicable to the company through discussions with management, and from our knowledge and experience of the marine hardware industry,
- -we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including relevant legislation such as the Companies Act 2006, taxation legislation, data protection, anti-bribery, employment, environmental and health and safety legislation;
- -we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- -making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud;
- -considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- -performed analytical procedures to identify any unusual or unexpected relationships;
- -reviewed nominal ledgers and tested journal entries reports to identify unusual transactions;
- -assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- -agreeing financial statement disclosures to underlying supporting documentation;
- -held discussions with those charged with governance;
- -enquiring of management as to actual and potential litigation and claims;
- -reviewing correspondence with HMRC.

Report of the Independent Auditors to the Members of **Makefast Limited**

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.orq.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Consolidated Financial Statements for the Year Ended 31 March 2021

1. STATUTORY INFORMATION

Makefast Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

The presentation currency of the financial statements is the Pound Sterling (\mathfrak{L}) .

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Basis of consolidation

The Group financial statements consolidate the financial statements of the Company and its subsidiary undertakings drawn up to 31st March each year. The results of subsidiaries acquired or sold are consolidated for the periods from or to the date on which control passed. Acquisitions are accounted for under the acquisition method.

Turnover

Turnover represents sales of goods recognised on a contractual basis excluding value added tax.

Revenue Recognition

Income is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2018, is being amortised evenly over its estimated useful life of ten years.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Patents and licences are being amortised evenly over their estimated useful life of nil years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property

- 2% on cost or valuation

Plant and machinery

- 15% on reducing balance, 10% on cost and 10% on reducing

balance

Motor vehicles

25% on cost

Computer equipment

- 20% on cost

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

Notes to the Consolidated Financial Statements - continued for the Year Ended 31 March 2021

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The group operates a defined contribution pension scheme. Contributions payable to the group's pension scheme are charged to profit or loss in the period to which they relate.

3. TURNOVER

The turnover and profit (2020 - loss) before taxation are attributable to the one principal activity of the group.

An analysis of turnover by geographical market is given below:

	31.3.21	31.3.20
		as
		restated
	£	£
United Kingdom	3,380,151	3,711,538

	Tax on profit/(loss)	(295,216)	(50,729)		

Notes to the Consolidated Financial Statements - continued for the Year Ended 31 March 2021

7. TAXATION - continued

Reconciliation of total tax credit included in profit and loss

The tax assessed for the year is lower than the standard rate of corporation tax in the UK. The difference is explained below:

		31.3.21 £	31.3.20 as restated £
Profit/(loss) before tax		584,125	(311,568)
Profit/(loss) multiplied by the standard rate of corporation tax in UK of 19% (2020 - 19%)	n the	110,984	(59,198)
Effects of: Expenses not deductible for tax purposes Income not taxable for tax purposes Capital allowances in excess of depreciation Depreciation in excess of capital allowances Adjustments to tax charge in respect of previous periods Research & Development enhanced deduction Amortisation of grant Amortisation of goodwill Foreign tax Losses not utilised		63 (4,793) 90,454 (477,581) 2,322 2,649 (19,314)	510 (5,922) (64,610) (3,809) (4,501) 2,649 22,302 61,850
Total tax credit		(295,216)	(50,729)
Tax effects relating to effects of other comprehensive incomprehensive incompr	ome		
Exchange rate differences	Gross £ (2,199)	31.3.21 Tax £ 31.3.20	Net £ (2,199)
Exchange rate differences	Gross £ (11,665)	Tax £	Net £ (11,665)

There is no deferred tax liability as a result of the revaluation of freehold property.

8. INDIVIDUAL INCOME STATEMENT

As permitted by Section 408 of the Companies Act 2006, the Income Statement of the parent company is not presented as part of these financial statements.

9. PRIOR YEAR ADJUSTMENT

The prior year adjustment is the effect of the retranslation of the opening net assets of the foreign subsidiary at this year's closing exchange rate.

Bank loans	687,322	481,319	687,322	481,319
Hire purchase contracts	265,488	379,594	265,488	379,594
	952,810	1,097,832	952,810	1,285,318

The bank facilities are secured by charges over the freehold properties owned by the company and a cross guarantee and debenture between Baseline Marine Products Limited (which is 100% owned by Mr Cozens).

Three of the directors have provided personal guarantees in respect of bank borrowing limited to £50,000 for Mr & Mrs Brown and £50,000 for Mr Cozens.

Many suppliers include a retention of title clause in their conditions of sale. It is not practicable to quantify creditors so secured.
