**NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD 20 NOVEMBER 2020 TO 30 NOVEMBER 2021**

1. STATUTORY INFORMATION

Slippery Slope Coffee Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

In preparing the financial statements, the directors are required to make an assessment of the ability of the company to continue as a going concern. The directors have considered all available evidence for the company which covers the 12 month period from the date of signing these financial statements. Against the backdrop of the COVID-19 Pandemic the directors have paid particular attention to likely cashflow requirements and the future availability of adequate cashflow to the company.

On the basis of this consideration, the directors are confident that the company has adequate resources to continue in operational existence and to meet its liabilities as they fall due for the foreseeable future. In reaching this conclusion they are satisfied that no material uncertainty exists. As a result of the above, the directors have concluded that it remains appropriate to adopt a going concern basis of preparation in these financial statements and that no material uncertainty exists in reaching this conclusion.

Taxation

Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the period was NIL.

4. POST BALANCE SHEET EVENTS

The company commenced trading in 2022 when a lease for a shop was agreed. The company will open a coffee shop and it is anticipated that this will happen in the Spring/Summer of 2022 once renovation work has been completed.
