DIRECTORS REPORT

FOR THE YEAR ENDED 30 APRIL 2022

The directors are pleased to present their report and financial statements for the year ended 30 April 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Chair's report

It is my privilege, as Chairperson of this Fund, and on behalf of my fellow Directors, to provide this Annual Report on the latest position in respect of the Fund, as at 30 April 2022.

The purpose and objectives of the Fund are outlined in the attached Report. It has always been important for the Directors in all the activities associated with the Fund, to ensure that we comply fully with the objectives set out in our Articles of Association and also the requirements of relevant governing regulations and legislative requirements. To the best of our knowledge, it is our view that in the year 2021-2022 we complied fully with all relevant requirements.

The year 2021-2022 showed further consolidation in terms of the Fund's finances, delivery in terms of the award of bursaries to boys, and also changes to the composition of the Board. Alan Braiden retired from the Board, and we want to place on record our sincere thanks for the huge contribution he made from the beginning of the Fund and through its important early stages. Although just outside the year in question, we also want to recognize the work of Jim Keith and Alan Logan who also retired. Both made very significant contributions as former Headmasters and as enthusiastic Directors.

We are also pleased to report that Mark Gilmore joined the Board in June 2021 and Ronnie Armour agreed to join from May 2022.

While the Board has ultimate responsibility for both the raising of funds and the awarding of Bursaries, the criteria for those Bursaries are drawn up by the school senior management and then considered by and approved by the Board.

The Directors would wish to acknowledge the continuing excellent relationship which continues with the school, and in particular the contribution of the Principal, Mary Montgomery, the senior management team, and the supporting administrative staff. That relationship continues to ensure that the Fund achieves its objectives in respect of the award of Bursaries to boys from the Boys' Model, that it is relevant and appropriate to the work of the school and is administered effectively and efficiently.

The Board reviewed the expansion of the number of Bursaries awarded each year and, in light of the special circumstances arising from the Covid pandemic, continued to adopt an ad hoc approach to further one-off Bursaries in addition to the three normally awarded. In September 2021 three one-off awards of £1,000 each were made to the students placing second in each of the university categories plus a further award to an HND student.

During the year we had five Board Meetings. We also held a major event to recognize the 50th Anniversary of the School winning the Schools Rugby Cup and the 25th Anniversary of the School winning the major Schools Soccer trophies. As a result, we were able to add to our unrestricted funds and to report to a much wider audience the work of the Fund to date.

DIRECTORS REPORT (CONTINUED) FOR THE YEAR ENDED 30 APRIL 2022

The Directors believe that it is important to ensure transparency in terms of the existence of the Fund, the Bursary awards, and our desire to add further to our financial reserves.

We are pleased to report that, as the attached Accounts indicate, by 30 April 2022, Unrestricted Funds had increased to £83,414, after having paid for expenses and Bursary award payments. The Board has constantly reviewed the reserves held and considers them to be healthy, but by no means excessive, given the age range of the donors, the expansion of Bursaries, and the Board's objective of seeking to reach sufficient funds to achieve an endowment position.

The Directors look forward to continuing to manage and develop this Fund in the most appropriate way to achieve its objectives of supporting and encouraging pupils in the school in progressing their education and careers.

Sir N Hamilton KCB, DL

Objectives and activities

The charity's objects are to advance and promote the education of the pupils at Belfast Boys' Model School by providing bursaries or other financial assistance to pupils who progress to third level education.

Arising from the purposes, our activities focus on two key strands; fund raising and the creation of a clear, fair and equitable process for the making of the awards.

As noted in last year's report the Board set an objective to make additional annual awards for HND and Higher-Level Apprenticeships. This objective has been frustrated, until September 2021, by external factors. However, the Board will continue to make additional one-off annual awards on an ad hoc basis reflecting pertaining circumstances.

It is also important to say that the existence of the Fund and its core objectives were agreed with the school Board of Governors, as was the full participation of the then Principal, Mr Alan Logan as a Director of the Fund. The current Principal, Ms Mary Montgomery is a member of the Board and fully endorses the work of the Fund.

The directors have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake

Achievements and performance

Our activities have been shaped by the need to raise sufficient funds to ensure that the awards, when made, can be fully funded for the tenure of each bursary. It was determined by the Board that, initially, three bursaries should be awarded each year.

The Board was of the view that awards should be performance driven and was grateful that the school endorsed this approach and agreed to draw up the criteria against which the first three awards would be made.

The school's proposal which was fully endorsed and agreed by the Board was to target three key areas of study in the school, namely: STEM subjects (including Technology, Mathematics and Science), Vocational subjects (including IT, Travel/Tourism and Public Service) and General subjects (including History, Politics, Media Studies and Art).

Further, it has been our ambition to be able to commit to the award of bursaries some years ahead and whilst this reinforced the view that three was the correct number of awards to start with, we have taken action to increase the number of bursaries to be awarded.

The school ensured that every pupil eligible for a bursary was aware of the criteria from the beginning of the school year. Following examination results in August each year, three bursaries are awarded to the three pupils who best met the criteria outlined above. Each bursary in total amounts to £3,000 and is paid over a period of three years dependent upon continuing academic attendance in further education by the pupils concerned. In addition, each year the Board considers the award of one-off awards on an ad-hoc basis.

DIRECTORS REPORT (CONTINUED)

FOR THE YEAR ENDED 30 APRIL 2022

Financial review

The Directors raised funds during the year by direct contact with a number of former pupils, who were advised of the existence and purpose of the Fund, and then invited to contribute by a one-off gift, or by regular monthly donations through Direct Debit or both.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be grown to allow the charity to adopt an endowment approach to funding – that is looking to providing funding from investment income.

The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

During the year, the Fund raised £34,339 (2021: £14,944) from donations, gift aid and bank interest and after paying and providing for committed bursaries and expenses added £14,978 (2021: £1,714) to unrestricted funds which now total £83,414 (2021: £68,436). This ensures that the Bursaries can be funded in the years ahead.

The Directors are pleased with the continuing support from both existing and new donors and believe that the Fund has good potential to grow in the future.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.
