ACCOUNTING POLICIES

for the year ended 31 March 2015

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the requirements of the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' issued in March 2010 (SORP 2010) and the Financial Reporting Standard for Smaller Entities (effective April 2008). The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Limited Liability Partnership's financial statements.

Turnover

Sales represents the total invoice value, excluding value added tax, of sales made during the year.

Members' remuneration

Members' remuneration is treated as a charge against profits. It includes profits that are automatically divided between members by virtue of the members' agreement.

A member's share in the profit and loss for the year is accounted for as an allocation of profits.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

| | |
|---------------------|------------------------|
| Plant and machinery | - 15% Reducing Balance |
| Motor vehicles | - 25% Reducing Balance |

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.

Pensions

The Limited Liability Partnership operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the Limited Liability Partnership. Annual contributions payable to the Limited Liability Partnership's pension scheme are charged to the profit and loss account in the period to which they relate.
