1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	2% Straight Line
Fixtures, fittings & equipment	10% & 20% Straight Line

1.5 Investments

Investments in subsidiaries are shown within the parent undertaking's financial statements at cost, less any provision for impairment in value. In the directors' opinion, the aggregate value of the shares is not less than the aggregate of the amounts at which they are stated in the company's balance sheet. Listed and unlisted investments are included at cost less amounts written off.

1.6 Stock

Stock is valued at the lower of cost and net realisable value.

1.8 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

1.9 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 399 of the Companies Act 2006 not to prepare group accounts.
