**Structure, Governance and Management (continued)**

The Management Committee members continue to assess the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are satisfied that appropriate systems are in place to mitigate exposure of those risks.

The Directors have examined the charity's requirements for reserves considering the main risks to the organisation. The Directors have established a policy of maintaining its reserves to a level equivalent of three months running costs for the organisation.

The directors (who are also trustees of the Edinburgh & Lothian Council on Alcohol for the purposes of charity law) are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;

**INDEPENDENT EXAMINER'S REPORT TO THE DIRECTORS AND MEMBERS OF  
EDINBURGH AND LoTHIAN COUNCIL ON ALCOHOL  
FOR THE YEAR ENDED 31 MARCH 2022**

I report on the accounts of the charity for the year ended 31 March 2022 which are set out on pages 7 to 21.

**Respective responsibilities of trustees and examiner**

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## **EDINBURGH AND LoTHIAN COUNCIL ON ALCOHOL**

### **NOTES TO THE FINANCIAL STATEMENTS**

#### **FOR THE YEAR ENDED 31 MARCH 2022**

##### **1. Accounting policies**

###### **Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - Charities SORP (FRS 102) (second edition – October 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Edinburgh and Lothian Council on Alcohol meets the definition of a public benefit entity under FRS 102.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

###### **Going concern**

The financial statements have been prepared on a going concern basis. The Directors have assessed the Charity's ability to continue as a going concern and have reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis of accounting in preparing these financial statements (see also note 15).

###### **Income recognition**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations, grants and contract income are recognised when the Charity has been notified of both the amount and the anticipated settlement date. In the event that income is subject to conditions that require a level of performance before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that those conditions will be fulfilled in the reporting period.

The Charity is the lead contact on a consortium contract from the City of Edinburgh Council. Therefore, the income under this contract is recognised by Edinburgh and Lothian Council on Alcohol only to the extent of its share with the balance transferred to other consortium entities.

###### **Expenditure recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is included on an accruals basis, inclusive of VAT.

Costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly others are apportioned on an estimated usage basis.

Costs of raising funds are those incurred in order to raise funding. Costs of charitable activities consist of those applied by the charity in meeting its charitable objectives, which includes costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. Governance costs, which are included within support costs and include the costs of general governance of the charity as opposed to direct management inherent in meeting charitable objectives, and are those associated with strategic, constitutional and statutory requirements.

**14. Pension commitments and contingent liabilities**

ELCA operates a defined contribution pension scheme for the benefit of its employees and also contributes to personal pension arrangements. The defined benefit scheme is closed to new members and future accrual.

**(a) Defined benefit pension scheme:****SCHEME: The Pensions Trust – Scottish Voluntary Sector Pension Scheme**

The company participates in the scheme, a multi-employer scheme which provides benefits to some 102 non-associated employers. The scheme is a defined benefit scheme in the UK. It is not possible for the company to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The scheme is classified as a 'last-man standing arrangement'. Therefore the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out with an effective date of 30 September 2020. This actuarial valuation was certified on 21 December 2021 and showed assets of £153.3m, liabilities of £160.0m and a deficit of £6.7m. To eliminate this funding shortfall, the trustees and the participating employers have agreed that additional contributions will be paid, in combination from all employers, to the scheme as follows:

**Deficit contributions**

**From 1 April 2022 to 31 May 2024:**

**£1,507,960 per annum**  
**(payable monthly and increasing by 3% each year on 1<sup>st</sup> April)**

**EDINBURGH AND LoTHIAN COUNCIL ON ALCOHOL**

**NOTES TO THE FINANCIAL STATEMENTS *(continued)***

**FOR THE YEAR ENDED 31 MARCH 2022**

**14. Pension commitments and contingent liabilities (continued)**

Some employers have agreed concessions (both past and present) with the Trustee and have contributions up to 29 February 2028.

Note that the scheme's previous valuation was carried out with an effective date of 30 September 2017. This valuation showed assets of £120.0m, liabilities of £145.9m and a deficit of £25.9m. To eliminate this funding shortfall, the Trustee asked the participating employers to pay additional contributions to the scheme as follows:

**Deficit contributions**

|                                                |                                                                                  |
|------------------------------------------------|----------------------------------------------------------------------------------|
| <b>From 1 April 2019 to 30 September 2026:</b> | £1,404,638 per annum<br>(payable monthly and increasing by 3% each on 1st April) |
| <b>From 1 April 2019 to 30 September 2027:</b> | £136,701 per annum<br>(payable monthly and increasing by 3% each on 1st April)   |

The recovery plan contributions are allocated to each participating employer in line with their estimated share of the scheme liabilities.

Where the scheme is in deficit and where the company has agreed to a deficit funding arrangement the company recognises a liability for this obligation. The amount recognised is the net present value of the deficit reduction contributions payable under the agreement that relates to the deficit. The present value is calculated using the discount rate detailed in these disclosures. The unwinding of the discount rate is recognised as a finance cost.

The company must recognise a liability measured as the present value of the contributions payable that arise from the deficit recovery agreement and the resulting expense in the income and expenditure account i.e. the unwinding of the discount rate as a finance cost in the period in which it arises. It is these contributions that have been used to derive the company's balance sheet liability.

**EDINBURGH AND LoTHIAN COUNCIL ON ALCOHOL**  
**NOTES TO THE FINANCIAL STATEMENTS (continued)**  
**FOR THE YEAR ENDED 31 MARCH 2022**

**14. Pension commitments and contingent liabilities (continued)**

**(b) Other defined contribution arrangements:**

With the closure of the defined benefit scheme, ELCA now contributes to a defined contribution scheme or personal pension arrangements as appropriate. ELCA pays contributions at a fixed rate for two employees. The pension cost of £3,991 (2021: £4,252) represents contributions payable by ELCA during the year.

At 31 March 2022 £535 (2021: £697) of employer contributions were outstanding and included in other creditors and accruals (note 11).

**15. Going concern**

ELCA depends on grants from outside sources to finance its activities. Support from funding bodies is dependent on ELCA continuing to meet its operational targets. Grant funding arrangements have been agreed to 31 March 2023 and, whilst the level of funding is forecast to remain stable, the Directors expect funding to continue beyond that date. Budgets and forecasts have been prepared indicating that ELCA will be able to continue to operate as a going concern within the constraints of the reduced funding available.

On this basis, the financial statements have been drawn up on the going concern basis which assumes adequate grant funding will continue to be available.

**16. Members' liability**

Edinburgh and Lothian Council on Alcohol is a company limited by guarantee and therefore has no share capital. Each member undertakes to contribute £1 to the company's assets in the event of the company being wound up.

**17. Reconciliation of net (expenditure)/income to cash flow from operating activities**
