Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Provisions

Provisions are recognised when the company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation, and the amount has been reliably estimated. Provisions are not recognised for future operating losses. Provisions are discounted where the time value of money is material.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

3. **EMPLOYEES AND DIRECTORS**

The average number of employees during the year was NIL (2020 - NIL).
