1.2 In this deed, unless the context otherwise requires:-

- 1.2.1 references to any of the parties shall be construed so as to include their respective successors and permitted assignees;
 - 1.2.2 references to a **"business day"** shall be construed as a reference to a day (other than a Saturday or Sunday) on which banks are generally open in London and Edinburgh for the transaction of business in the lawful currency of the United Kingdom;
 - 1.2.3 references to a clause by number are references to the appropriately numbered clause of this deed;
 - 1.2.4 references to this deed shall be to this deed as amended, varied, supplemented or novated from time to time;
-

- 1.2.5 references to any statute, law, decree or regulations shall be treated as references to such statute, law, decree or regulations as re-enacted, amended, extended or replaced from time to time;
- 1.2.6 headings are inserted for ease of reference only and shall be ignored in the construction of this deed; and
- 1.2.7 the singular includes the plural and vice versa and any gender includes any other.
- 1.3 If there shall be any conflict or inconsistency between any provision of this deed and any provision contained within a Security, the provision of this deed shall prevail.

2 Consents

- 2.1 In so far as consent is required under the terms of any of the Securities or otherwise each of the Security Holders consents to the creation and continuance of each Security.
- 2.2 The Lender consents to the Company entering or having entered into the Debt Purchase Agreement (and such consent shall apply to any extension or variation thereto) and acknowledges that all Vesting Debts, any Returned Goods pertaining to them, and their Related Rights which, in each case, are vested absolutely and effectively in Close (save for the avoidance of doubt any such Vesting Debts, Returned Goods and/or Related Rights which are repurchased by, or otherwise transferred back to, the Company under the Debt Purchase Agreement or otherwise) do not form part of the Company's assets, property and/or undertaking and, therefore, shall be free from the Lender's Floating Charge.
- 2.3 For the avoidance of doubt, subject to clause 2.2, the Lender's Floating Charge shall remain in full force and effect and shall apply to all Debts, all Returned Goods and their Related Rights which may at any time be re-assigned by Close to the Company or are otherwise transferred back to the Company under the Debt Purchase Agreement or otherwise, and shall also apply to any sums due from Close to the Company from time to time.

3 Ranking

- 3.1 Notwithstanding the terms of the Securities, any provisions as to ranking contained in them and their respective dates of creation, the Securities shall rank in the following order of priority:-
- 3.1.1 Close's Floating Charge shall rank on the Non-Vesting Debts, the Non-Vesting Returned Goods and the Non-Vesting Related Rights, and on the proceeds thereof, prior and preferably to the Lender's Floating Charge to an unlimited extent;
- 3.1.2 the Lender's Floating Charge shall rank on all and any of the assets, property and/or undertaking of the Company from time to time (other than the Non-Vesting Debts, the Non-Vesting Returned Goods and the Non-Vesting Related Rights), and on the proceeds thereof, prior and preferably to Close's Floating Charge to an unlimited extent;
- 3.1.3 the Lender's Floating Charge shall rank on the Non-Vesting Debts, the Non-Vesting Returned Goods and the Non-Vesting Related Rights, and on the proceeds thereof, to an unlimited extent after the prior ranking provided for in clause 3.1.1 has been satisfied; and
- 3.1.4 Close's Floating Charge shall rank on all and any of the assets, property and/or undertaking of the Company from time to time (other

than the Non-Vesting Debts, the Non-Vesting Returned Goods and the Non-Vesting Related Rights), and on the proceeds thereof, to an unlimited extent after the prior ranking provided for in clause 3.1.2 has been satisfied.

- 3.2 The amount of any Administrator's or Receiver's remuneration and all outgoings, costs, charges, expenses, liabilities and payments ranking by statute for payment in priority to the amount secured by the Securities shall be deducted from all receipts and recoveries under the relevant Security prior to their application towards the discharge or satisfaction of the amounts secured by the Securities.
- 3.3 In the event of the provisions of this deed being regarded by an Administrator, Receiver or any analogous insolvency practitioner or officer in any jurisdiction appointed under either Security or otherwise in respect of the Company (or all or any part of its assets) as failing to bind him/her or them in respect of all or any of the property, undertaking and/or assets of the Company, or the proceeds thereof, and in so far as the refusal or failure of such Administrator, Receiver or other insolvency practitioner or officer to be bound by this deed shall cause prejudice to a Security Holder, the other Security Holder shall compensate that Security Holder to the extent that it is enriched as a result.
- 3.4 For the avoidance of doubt, each of the parties hereto agrees that the proceeds of any Debt whether created before or after the enforcement of any Security, and whether an asset of Close or the Company, shall constitute solely a realisation of that Debt and no part of any Debt shall be attributable to a realisation of any other asset of the Company.

4 Continuing Security

The Securities shall be continuing securities for repayment to the Security Holders of the money and liabilities thereby secured and the priority arrangements herein contained shall not be affected by any fluctuations in the amount from time to time due, owing or incurred by the Company on any account to any of the Security Holders or by the existence at any time of a credit or nil balance on any such account of the Company with any Security Holder.

5 Enforcement of Security

- 5.1 Subject to clause 5.2 and clause 5.3, in the event that either Security Holder wishes to take any Enforcement Action, it shall notify the other Security Holder in writing of the Enforcement Action which it wishes to take (an "**Enforcement Notification**") and consult with the other Security Holder with a view to agreeing on the method by which such Enforcement Action is to be taken and, where appropriate, the person to be appointed as Administrator or Receiver in relation to such Enforcement Action.
- 5.2 Neither Security Holder shall take any Enforcement Action without the agreement of the other Security Holder pursuant to clause 5.1, provided that if following consultation in accordance with clause 5.1 no agreement on the method by which such Enforcement Action is to be taken and/or the person to be appointed as Administrator or Receiver in relation to such Enforcement Action (as appropriate) is reached between the Security Holders on or before the date falling 10 Business Days following the date upon which the Enforcement Notice in relation to such Enforcement Action is received by the relevant Security Holder pursuant to clause 5.1 (the "**Consultation Longstop Date**"), the Lender may take such Enforcement Action without any further consultation with, and/or the agreement of, Close and shall decide (in its sole discretion) on the method by which such Enforcement Action is to be taken and/or the person to be appointed as Administrator or Receiver (as appropriate).

- 5.3 In the event that, in relation to any Enforcement Action which a Security Holder wishes to take, (i) the Security Holders do not agree on the method by which such Enforcement Action is to be taken and/or the person to be appointed as Administrator or Receiver in relation to such Enforcement Action (as appropriate) by the Consultation Longstop Date in relation to such Enforcement Action and (ii) the Lender has not commenced such Enforcement Action and/or taken any steps to appoint an Administrator or Receiver in relation to such Enforcement Action (as appropriate) by the date falling 2 Business Days following that Consultation Longstop Date, Close may take such Enforcement Action without any further consultation with, and/or the agreement of, the Lender and shall decide (in its sole discretion) on the method by which such Enforcement Action is to be taken and/or the person to be appointed as Administrator or Receiver (as appropriate).

6 Operation of Accounts

- 6.1 Nothing in this deed or in the Close Floating Charge or the Debt Purchase Agreement shall prevent the Lender operating the bank accounts of the Company in the ordinary course of banking business, including, without limitation, collecting cheques and other payment orders or accepting monies for credit of the Company's bank accounts and allowing the Company to draw cheques and other payments and generally to withdraw funds from its bank accounts. The Company is permitted to open an account in the name of the Company designated in trust for Close to which may be credited monies, cheques and other payment orders and remittances but the Company may not draw cheques or make any other payment or withdraw funds from such trust account except by payment to Close.

- 6.2 Close shall make no claim against the Lender in connection with any Debt the proceeds of which are credited to any account of the Company with the Lender (other than any account in the name of the Company held in trust for Close) unless:-

6.2.1 prior to the Lender's receipt of such monies the Lender has received notice in writing from Close that a specified sum of money belongs or will belong to Close (and, where requested by the Lender, supported by evidence thereof); or

6.2.2 the Lender has procured the payment to the Lender of a sum which to the actual knowledge of the Lender should have been paid to Close,

in which case all such monies received by the Lender in respect of such Debts shall be held by the Lender in trust for Close.

7 Information

- 7.1 Whilst this deed subsists each Security Holder shall be at liberty from time to time to disclose to the other of them information concerning the Company and its affairs in such manner and to such extent as the disclosing Security Holder may decide.
- 7.2 Each Security Holder acknowledges the right of the other of them to the production and delivery of copies of the documents comprising or referred to in its Security.
- 7.3 If either Security Holder shall have any books or records of the Company in its possession, it will provide such access to those books and records as may reasonably be required by any Receiver or Administrator appointed by the other Security Holder.
-

8 Floating Charges

8.1 In so far as it may be necessary to give effect to the provisions of this Ranking Agreement, the Close Floating Charge and the Lender's Floating Charge are hereby varied and this deed shall be construed and receive effect as an instrument of alteration within the meaning of section 466 of the Companies Act 1985.

8.2 Each of the Security Holders confirms and undertakes to the other that it will within 31 days of the date of this deed register the required details of this deed at Companies House in order for this deed to constitute a valid instrument of alteration within the meaning of section 466 of the Companies Act 1985 in respect of its Security.

9 Termination

This deed shall cease to have further effect when one or more of the Securities shall have been fully and completely and irrevocably and unconditionally discharged.

10 The Company's Acknowledgement

The Company acknowledges the ranking priorities recorded in this deed and consents to the rest of the terms of this deed. The Company acknowledges that this deed does not create any rights in its favour and that it shall not be entitled to rely upon or enforce any of the terms of this deed as against either Security Holder.

11 Entire Agreement

This deed forms the entire agreement between the parties relating to the priority of their respective Securities and the application of the proceeds thereof and supersedes all earlier meetings, discussions, negotiations, correspondence, faxes, telexes, letters, e-mails, transactions, communications, understandings and arrangements of any kind so relating.

12 Forbearance, Failures and Waivers

12.1 No forbearance or failure by any party to exercise or assert or claim any rights or entitlement hereunder shall be construed (in the absence of a written agreement to a waiver or a written confirmation of a past waiver) as a waiver of that right or entitlement.

12.2 No waiver of any breach of any term of this deed shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same term or as authorising a continuation of a particular breach.

13 Variations

Save as otherwise provided herein, any variation of this deed shall be binding only if it is recorded in a document signed by or on behalf of each Security holder.

14 Severability

14.1 The provisions of this deed shall be severable and distinct from each other. If at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of each of the remaining provisions of this deed shall not in any way be affected, prejudiced or impaired thereby.

14.2 The provisions of clause 3.1 shall apply notwithstanding the invalidity or avoidance of any of the Securities.

15 Facilities

Nothing in this deed shall bind either the Lender or Close to make any advance or prepayment or to grant any credit or other facilities to the Company.

16 Time and Indulgence

The Lender and Close shall each be entitled to grant time or indulgence or to release or compound with the Company or otherwise deal with its Security without reference to the other Security Holder except to the extent regulated by this deed.

17 Continuing Effect

The ranking priorities set forth above shall apply even though a liquidator or Receiver or an Administrator shall be appointed under the Insolvency Act 1986 in relation to the Company.

18 Assignment

Neither of the Security Holders shall assign, transfer or otherwise dispose of its Security or any of its rights or obligations under them to any person (a "Transferee") or agree or attempt to do so unless the Transferee shall first have agreed with the other Security Holder to adhere to and be bound by all the provisions of this deed affecting the other Security Holder including this clause 18.
